AcuGlow Package Agreement

Hunt Valley Acupuncture And Chinese Herbal Medicine (HVA) / Rabab Al-Amin, L.Ac., M.Ac. agree to offer this program to _____. This is a four-to-six month Micro- & Nano-Needling package that includes a total of four Micro-Needling treatments & six Nano-Needling treatments with light therapy and natural facial serums. This agreement will begin on _____, and expires on _____. AcuGlow is a holistic skin care therapy that is great for keeping your skin healthy and glowing using Micro-Needling, Nano-Needling natural products, serums, herbal medicine and light therapy. Some of the benefits are treating hyperpigmentation, deep acne scars, wrinkles, and rejuvenation. I strive to give every patient the best results as soon as possible. Results will look different for each patient depending on your condition at the beginning of treatment. Your overall health, constitution, age, diet, activity level (exercise), in addition to mental and emotional responses to life stressors and expectations, can all play a role. The intention of this program is to add more joy to your life as you feel more confident and beautiful inside and out and enjoy the rewards for making a commitment to longevity and graceful aging.

- I agree to follow Micro-Needling aftercare instructions provided by HVA/ Rabab Al-Amin, L.Ac., M.Ac. also found on www.RababAlAmin.com
- Package sales are final, non-refundable and non-transferable.
- I am offering this treatment package because AcuGlow is a process that is most effective when treatments are frequent and regular. Getting the desired results depends on you coming for treatments often enough to resolve imbalances, help your skin heal, and reverse the aging process.

My packages are designed for patients who are ready to make a commitment to the treatment process suggested to get good results.

Cancellation Policy

Please give me at least 24 hours cancellation notice. I charge my full fee for missed appointments.

Expired Packages

Package must be redeemed (first treatment scheduled) within six months of purchase.

When a package expires the reduced cost per treatment also expires.

At this point, the patient may choose to continue their sessions at the current standard rate, and will be responsible for the difference in price.
